THE RACIAL PROBLEM.

An Editorial Has Stirred Up the Cuban Politicians.

avoided what the Cubans generally lins of Greenboro, N. C. recognize as the most important ques-

solved will be the racial problem. The arrival at Honolulu. supremacy of the willies must be guaranteed. It should be borne in be no social equality at any time and no political equality until a considerable period has elapsed. Yet it must be admitted that the negroes, who are numerically the chief element in the he claims is perfectly successful. Some population, starved and fought bravely time last week Mr. Pearson says he during the war, while many bespangled high cockalarums now strutting around Havana in gorgeous uniforms were in Mexico or Yucatan, ly- ter through the postoffice exactly as cans can make money by selling iron

The editorial has provoked consider- sending. able comment, especially at the Union club, whose members say that RACE FEELING IN INDIANA TOWN all the annexationists and protectorate Patrons of School Object to Presence organs have not done so much harm to the cause of Cuba as the La Lucha has done today. Those who condemn the paper's sentiments say the racial question should not have been raised in any public way until independence was assured." On the other hand those who favor annexation or a protectorate consider that the editorial was inspired.
